Dear Sir—I have to inform you that I have used all our Tonic Pilis, and therefore pray you to send me another supply immediately, as there is much fever and ague within the bounds of my practice, and I hardly know how to satisfy and cure my patients without them.

I have thoroughly tested your Tonic Pills in my practice through this country, not only in chills and fever, but in real typhoidfever, and have met with such success from their use, that I now find myself at a great loss to get along without them. I consider them a great blessing to the people of the west and south, and I am satisfied that they are important in the cure of more diseases than you

Don't fail to forward ma a supply by mail, as quickly as possible, directed as above.

Very respectfully, yours.
